

Dear Friends,

As the new year begins the Morris County Historical Society invites you to join us with your membership.

Our area is very fortunate to have so much history with authentic locations and historical sites with original buildings. This brings many school children and tourists into our communities. The sites and their locations are: The Post Office Oak Museum at 22 E Main, The Seth Hays Home at 203 Wood St. , The Yesteryear Museum at 22 W Main and The Morris County Historical Society Building-Archives and Research at 303 W Main. If you have not visited these Historical sit recently we invite you to do so soon. We think that you will like what you see.

We want to welcome you and your ideas into our membership.
